

Jaya Agrawal

Talent Profile: Jaya Agrawal, MBA

Jaya Agrawal
Sr. Accountant
Corporate Accounting
Palo Alto, CA
12 Years Experience

Key Outcomes for Current Role

- Developed new strategy that would allow the prepaid rent review process to start mid-month, rather than in the last 5 days of the month, through managing 4 HTC members to on how to perform the review and detect issues. Thus reducing 75% of manual effort.
- Gain a deeper understanding of the system to improve the accuracy of rent reporting.
- Conduct an in-depth analysis of the process and collaborate with business owners to optimize the PO accrual and lease management.

My Brand

As a finance and accounting professional, I bring about 12 years of experience, during which I owned various aspects of accounting & finance - includes AR, AP, Cash, fixed-asset, Payroll, and reporting in various roles. I excel in a fast-paced environment with changing priorities. I am passionate about resolving issues, learning about the business. New concepts and changing scenarios motivates me as it require to brainstorm, apply new accounting standards and business acumen. My strength lies in understanding the need of business partner, effectively communicating accounting details, engaging in live discussions with FP&A, and demonstrating the ability to execute tasks while managing competing priorities.
